Irvine Advisory Group Forms New Advisory Committee

Experts in business development, construction, financing and operations

IRVINE, CALIFORNIA – Irvine Advisory Group, LLC (IAG) is proud to announce the formation of its new Advisory Committee. Members of the committee are all independent professionals with extensive experience in the car wash & service station industry and capital markets.

“I am very proud to have such a strong group of top notch professionals to call and collaborate with when working with a client”, said Paul Dadgar, CEO of IAG.

The Committee currently includes:

- Steve Welge, President of Fillner Construction
- Michael Geyer, President of Auto Convenience Centers & Arco AM/PM
- Steven Elser and Kurt Wagenknecht Partners in K12 Architects Inc., Architects
- Carl Agamata, CEO, Carl Agamata Enterprises, Appraisers and Business Valuation
- Chantal M. Mariotti, Executive HR Consulting Group, HR Consultants
- Robert Geringer, President Geringer Capital, Investment Bankers
- Scott Strong, President Strong, Inc.

Irvine Advisory Group, LLC (IAG) is a consultancy specializing in the car wash and service station industry since 1987. We have achieved consistent growth and success by serving all aspects of the business needs of our clientele. Principals in IAG have also owned and operated businesses in these industries.

IAG has expertise in:

- Mergers & Acquisitions
- Development
- Operations & Management
- Training
- Feasibility Studies and Site Assessment
